

ANNIVERSARY

MX-5 20 YEARS

APRIL 2009

EDITO

Dear Enthusiast, MX-5 owner,

Mazda Automobiles France, Team OAK Racing and the MX-5 Passion club invite you to come and celebrate a unique moment by participating at a get together event :

« MX-5 Roadster : 20th Anniversary »

We are going to have a meeting of 200 MX-5s from France and other European countries to celebrate this anniversary, the launch of the new MX-5 NC facelift and of course, the comeback of Mazda to European motor racing.

We can host you and your car during the Le Mans 24h race from the morning of June 13th until the evening of the 14th on a typically « Le Mans Spirit » field situated next to the race track : The MAZDA CAMP, in the village of Ruaudin.

We can offer several options which allow you to choose when you want to come to the event :

Saturday 13, Sunday 14 or the whole weekend .

There will be a Concours d'Elegance so don't forget your Nénette (The cleaning towel...) to shine your cars !

We would be delighted to share this unique moment with you. We will be celebrating in the most appropriate way the first 20 years of an already legendary roadster!

Thierry Guillemot
Managing director Mazda Automobiles France

THE LEGEND : 787 B

In 1970, Mazda entered the 24 Heures du Mans race for the first time in its history with a rotary engine . In 1991, with 20 years of expérience in endurance racing, Mazda entered into racing history by winning the 24 Heures du Mans race. This historical success a double as it was the first time that a Japanese manufacturer and a rotary engine had won the legendary

race. The winning team of drivers was made up of Volker Weidler from Germany, Johnny Herbert from Great Britain and Bertrant Gachot from Belgium.
